Michael was just walking through the door,after a long day at work "Dave? baby,i'm home!",when he noticed an intoxicating aroma coming from the kitchen.

"Mmmm,darling,what's that wonderful smell?"

David turned to his man and gave him a big wet kiss!

"Hey,Sexy! that smell is 'Chicken a la David',my own special recipe." he said with a naughty wink. "Green Beans,Cornbread,and a special surprise for dessert"

"Sounds and smells terrific." Mike replied

"It'll be done in about 15 minutes,so go wash up." David said

"You got it,Chief!" And with that,Mike went upstairs.

Once he saw Mike disappear,he dug a small box out of his shirt pocket,"Tonight," he thought,"i have to ask him tonight!"

"Please,God,please let my precious Michael say 'yes'." he prayed.

He placed the box back in his pocket,and returned to the stove to finish cooking.

"Come and get it!" he said as Mike happily,and hungrily,trotted down the stairs,unaware of the surprises that David had in store for him that warm spring evening.

David sat at the opposite end of the table watching his beloved Michael eat every bite off his plate,while barely touching his own plate.

"My God,he's even hot with food in his mouth!" he thought.

"O.K.,why are you staring at me?" Mike asked as he finished eating.

"Did i do something wrong?"

Dave came out of his daze,"No,no! why?"

"Because,you've looking at me since i sat down! So,What's up,Doc?" Mike joked.

"It's nothing,really,i could just look at you all night,that's all." David sighed

Michael grinned the grin that melted David's heart when they first met in David's office back in Pittsburgh.

Mike stood up to clear the dishes,as he reached for David's plate,David grabbed him by the wrist.

"OW! You're hurting me,stop it!" growled Mike

David loosened his grip, stood up and apologized, "I'm so sorry, sweetheart! I didn't mean to do that."

He put his arms around Mike, kissed him gently on the neck and whispered "I want you, now!" in his ear.

Mike turned around, kissed David softly on the lips, "Take me!" he whispered back as he led him up the stairs to the bedroom they shared for 3 magical years, and if David gets the answer he hopes for, many more years to come.

Within mere minutes, Mike and David were naked and all over each other!

Kissing, rubbing, licking & playfully biting each other's bodies with the same passion they had the first time they made love.

As Michael took in his lover's sweet scent, he began to make his way down David's tall, lean, muscular frame.

Starting at the base of his neck, he licked down to David's perfect pecs, first the left one for a time, then across to the right one.

This was driving David wild with desire.

Mike was continuing his journey downward, kissing his man's stomach, pausing briefly to play with David's navel, inhaling the smell of David's pubic area, licking his left thigh, then his right.

There it was!

David's engorged manhood, staring him right in the face, already dripping with pre-cum.

"Damn, babe! Having fun, are we?" Mike laughed.

David giggled, "Angel, the fun's just begun, believe me."

Mike took in every inch of David, who let out a moan so loud, you could practically hear it across town.

But, before he could come, David picked Mike up by the shoulders, kissed him hard and deep, and lightly pushed him onto the bed.

"I need to fuck you!" David pleaded.

Instinctively, Mike began to lay on his stomach, when David stopped him, "NO! I want to look in your eyes while I fuck you."

Dave put Mike's legs on his shoulders, lubed himself and Mike's waiting hole, gently rubbed himself against Mike's butt before entering him.

This time, it was Mike's turn to moan loudly, as he felt his lover inside him.

"Oh, yes, David! Give it to me." he purred

David kept the momentum going for a good 10-15 minutes before unleashing a torrent of his love inside Mike's ass.

Not to be outdone, Mike also came, with the force of a hurricane, on his stomach.

After a few minutes just lying together, David got up and got a couple of wet towels, one for him, one for Mike.

Looking down on Michael's beautiful naked body, David thought to himself, "Now and always, you'll be mine, mon amor."

David looked over at the clock, it wasn't even midnight yet.

Moments earlier, he'd picked up his rumpled shirt off the floor and retrieved the box out of the pocket.

Sitting on his side of the bed, box in hand, he stared lovingly at Mike who was sleeping peacefully, snoring very lightly.

"Now!", he thought, "Ask him NOW!"

"Mike, wake up!" David nudged him gently.

"Hmmm...What is it? What's wrong?" Mike asked, rubbing the sleep out of eyes.

"Nothing", David replied, "It's just..." his voice trailed off.

"Just what? Talk to me." Mike urged, taking Dave's trembling hand and kissing it.

"There's something I've been wanting to ask you."

"You know you can ask me anything, sweetie, what?" Mike said sitting up.

Dave got up, crossed over to Mike's side of the bed, sat and began.

"Michael Charles Novotny....I LOVE YOU, I REALLY, REALLY DO!" he giggled, making Mike giggle.

"Which makes what I have to ask all that much more important."

The smile Mike had, quickly turned into a look of concern.

"Yes?"

Handing Mike the small box, David said "Open it."

Looking at the box, then looking at David, who just smiled, he slowly opened it.

And as he did, his eyes grew wide as he came face to face with the biggest diamond ring he'd ever seen.

"Oh, Doc! is this what I think it is?"

Getting on his knee and taking the ring out of the box, David took a deep breath.

"Michael, would you please do me the honor of 'officially' becoming my life partner?" he asked, choking back the tears.

A weeping Mike threw his arms around David, "Oh, Baby! I have been waiting so long for you ask." he sobbed.

"Is that a 'yes'?" David asked.

"Yes, David, yes I'll become your life partner."

David slipped the ring on Mike's finger.

"Perfect,just like you." he said as he kissed his new fiancée'.

"Michael Novotny-Cameron,i like the sound of that,don't you?" Mike asked.

Baby,i like you,period." Dave laughed.

David's life was complete,once again.

He had full custody of Hank,Michael agreed to be his for life,and his business was doing better than ever.

Now,tonight,he can sleep better than he had in a long time,knowing that his future would be brighter than even he expected.
